SATURDAY, APRIL 21, 2007 --- 9:15 AM ---BALBOA ISLAND EXPERIENCE

Meet at Peninsula Park at entrance to Balboa Pier.

Parking information: There is limited free street parking a short distance from the pier. We suggest you park in the **Balboa Parking Lot**, entrance on Palm Street. There is a metered section as well as a ticketed section for the same price. (50 cents/20 min. or \$1.50 per hr., \$8. max.) Bring quarters for the meter or you can pay with cash or credit card if you take a ticket where there is a gate & guard. This parking lot is closest to the meeting place.

NOTE: Beaches are crowded, expect traffic, come early, get a good parking spot and have a lovely day at the beach.

We will take the ferry to Balboa Island, walk around the island to view the cottages and walk through the village before returning to the peninsula where we will walk south to see homes returning along the strand and to the park. The walk will be about 3-4 miles on paved flat sidewalks. Bring change for the ferry ride which is 60 cents each way.
