

FOOTLOOSE WALK – June 24, 2006 – 9:30 AM - South Laguna & Aliso Beach

Meet in Albertson's Parking lot, PCH and Montage Resort Drive (Thomas [OC] p. 951, A7). The parking lot is on a bluff and you may not see Albertson's right away.

From the 405 Freeway exit Laguna Canyon Road/Veteran's Memorial Hwy #133 and go towards the beach. When you get to PCH, turn Left (you will now be going South). Drive about 2.7 miles until you see Ruby's on the Left. At the very next street, Montage Resort Drive, turn Left and then a quick Right into a parking lot. Drive to the far end of the parking lot and park near Albertson's Market

We will walk South to Aliso Beach, walk on the beach, and back up to the Montage Resort Hotel. We will walk along the bluffs as well as visit the hotel. This will be a fairly short walk giving you ample time to enjoy the beach and the beautiful coast line and scenery. Approximately 3 miles.

For lunch, we could go to Ruby's or one of the restaurants in Albertson's shopping center...unless you want to splurge and eat at the Montage Hotel.
